July 2010

President's Notes

Wow, I'm pumped . . . just read all the Club related emails since Elaine and I have been in South Carolina. Weird. Like a time traveler, everything seems foreshortened and happening really fast: parade happenin'/parade done (good job), pet show perkin' along, speaker suggestions, installation and a President's Message for Paw Prints (every month?)!

Phone rang while I was reading. It was a lady representing the Plano Early Lions Club. Wanted my continued support for the upcoming (September) Movie Fest! Guess that's because I'm a previous supporter, and she was giving me my "early bird" call, so I could be first on the list this year.

Wow, talk about wheels within wheels! We got stuff goin' on all the time, don't we! I can't wait to get started with the new year! We've got a great slate of Officers, and we're going to have a good time together as we fill up the "Pay Back Hole".

Oh, don't remember the Pay Back Hole? Well, you'd better not miss Officer Installation next week (July 17) when we talk about how we're filling up the Pay

Back Hole, not to mention all the other volunteer opportunities that await us in the coming Lion year!

Be warned: if you're not there on the 17th, you'll not only be talked about in your absence, you're also likely to be volunteered for something on "THE LIST". Oh, don't know about "The List" either? Well then, it's obvious you really need to be at that meeting. Think of it as self defense: You're there, you choose. You're not, you lose.

Snowball Express and American Airlines

A special Promotional Code has been set-up for use when making reservations for American Airlines flights. Please use the **Promo Code: 801382**

When making reservations online, at the bottom of the page look for the "Business ExtrAA" section to enter the code. When making reservation by telephone, give the code to the reservationist. This allows Snowball Express to accumulate points for future flights which will be carrying Snowball Express families. This will not affect your personal "AA Miles" in any way, but will assist Snowball Express in completing their mission of helping children who have lost a parent in military service since 9/11.

Questions should be directed to:
PDG Carolyn Dorman: 972-897-9188
IPDG Mark Dean: 469-767-5317

Recycle used ink cartridges and used cell phones with Lion Tom Seibert.

Recycle unused glasses with
Lion Andrew Patterson.
